Beautiful Smiles,
Stronger Communities.

SMILES IN ACTION

Smiles in Action is a community service discount program for you to earn up to 5% off your orthodontic treatment by helping in your community.

Earn a smile while creating a better community!

At the Dental Specialists of Jamestown we have a program where you can help others and earn up to 5% off of your orthodontic treatment fee. By serving others you can earn a beautiful smile and create a better community. For each hour of service you will earn \$10 that will go towards your orthodontic treatment at The Dental Specialists of Jamestown. Dr. Alison asks that you would write a 1-2 page reflection about your experience as a volunteer in your community.

The Dental Specialists of Jamestown specializes in braces for children, teens and adults. **Please call to schedule your free consultation with Dr. Alison Fallgatter at (701) 252-1212.**

- Sign up to participate in the “Smiles in Action” program at The Dental Specialists of Jamestown.
- Identify a community organization or an individual for which you’d like to volunteer.
